

2022 USA Canoe Sprint Olympic Hopefuls Regatta (OHR) Team

OHR athlete selections are based on the ACA Athlete Selection Procedures for the 2022 Olympic Hopes Regatta (OHR) <https://americacanoe.org/wp-content/uploads/2022/08/2022-USA-CSP-OHR-Athlete-Selection-Procedures-final.pdf> and the 2022 ACA Canoe Sprint (CSP) National Championships results: <https://m.regattamaster.com/#vwResultsBySchedule/true>.

Athletes that qualified for the USA CSP National Team at the 2022 USA CSP Team Trials and competed at the World Championships are pre-qualified for the 2022 USA OHR Team.

We expect that the OHR athletes will race in at least two events comprising of K1, K2, and K4 (where applicable).
